

## WHAT TO KNOW ABOUT THE CHAMBER DOLLAR PROGRAM—

### BUYING & SPENDING CHAMBER DOLLARS

Any member of the public can buy **Chamber Dollars** at the Chamber Office. Then, use them at a Participating Chamber Member Business just like you would cash.

- Anyone may purchase **Chamber Dollars**.
- **Chamber Dollars** can be spent like cash at Participating Chamber Member Businesses ONLY (see inside for a list of members).
- Businesses that are not Chamber Members and accept **Chamber Dollars** will not be reimbursed.
- **Chamber Dollars** are not redeemable for cash, but the Chamber and the Chamber Member Business appreciate your mindfulness in spending the total value of the certificate. However, you will receive change back if your purchase is less than the Chamber Dollar amount.
- **Chamber Dollars** do not expire.
- **Chamber Dollars** are available at the Chamber of Commerce office (301 Second Avenue) all year long and in increments starting at \$5.
- **Chamber Dollars** make excellent Employee Incentives, Awards, Gifts, Prizes, and Donations that benefit the community in which we live.
- Speaking of donations—you can donate **Chamber Dollars** to several local churches and community organizations (see inside for the most current list).

### RECEIVING CHAMBER DOLLARS: MEMBERS ONLY

As a Chamber Member, you have the exclusive privilege of receiving **Chamber Dollars**. Chamber Members are the ONLY businesses that have this advantage. Thousands of **Chamber Dollars** are circulated as employee awards and gifts every year. Your shoppers expect to use the certificate like cash. Change should be given if the purchase is less than the certificate value.
